IKEA selects ADP for GlobalViewSM HR and payroll service in 40 countries

ADP® Employer Services International, a leading worldwide provider of integrated outsourced payroll, benefits and human resource services, today announced it has been selected to provide GlobalViewSM HR and payroll services for IKEA, the international home furnishing company. ADP will be IKEA's sole human resource outsourcing provider for its entire worldwide organization, presently representing a total of 90,000 employees across 40 countries in Europe, North America, and Asia Pacific.

"With GlobalView, we have one platform for our HR and payroll services and the ability to ensure a world-class HR and payroll service experience for all IKEA employees worldwide," said Albert Martens, IKEA's Director of HR Services.

IKEA is consistently ranked as one of the best companies to work for, and remains dedicated to ensuring a quality experience for its employees whether they are based in Sweden or Singapore. Delivered on a single-source platform, GlobalView combines the expertise of local HR and payroll professionals with knowledgeable, multilingual, multicurrency services and compliance from regional service centers located around the globe.

"We're pleased to help IKEA uphold its commitment to delivering quality services to its employees worldwide," said George Stoeckert, President of the Employer Services International Division of Automatic Data Processing, Inc. "IKEA's selection of ADP underscores the momentum of our partnership with SAP. It also demonstrates the confidence companies are placing in GlobalView as the global HR outsourcing service of choice for multinational corporations that want to ensure consistent service and regulatory compliance worldwide." GlobalView leverages the SAP solution for Human Capital Management (HCM) mySAPTM powered by SAP Netweaver[®] to deliver this leading single-source, multilingual, multicurrency human resource outsourcing service.

ADP Employer Services International, part of ADP Employer Services, offers GlobalView in more than 30 countries worldwide, expanding to 50 countries by 2008. More than 50 multinational companies representing more than 460,000 employees globally have selected GlobalView for human resource outsourcing service worldwide.
